**Bringing
Your
Annuity
Back
To Life**

There may be an opportunity right in front of you that you don't see.

This opportunity is so critical to your family's financial future, I feel I have an obligation to share this information with you, even if it's for you to say "no" to the opportunity.

How can you say "yes" or "no" to opportunities you don't even know exist?

I simply don't want to be another person in your life that robs you of opportunities as others have in the past.

If you are not using your annuity for income then it should be used for creating wealth.

If you are a member of a loving family with children or grand children and are deeply concerned about the financial direction our country is heading and the impact it will have on their financial future, then it's time to talk.

How many opportunities have passed you by simply because you were not aware of them?

Your annuity might be the first step in creating generational wealth for your family or charity without
